MEDIA RELEASE

Volunteer grants available for northern Tasmanian community organisations

Expressions of interest are now being sought from northern Tasmanian community organisations for the 2023/2024 Volunteer Grants round.

Federal Member for Bass Bridget Archer said grants of \$1,000 to \$5,000 are available for eligible organisations to buy small equipment for volunteers, reimburse volunteer fuel, transport or training costs, or support promotional activities.

“The last grant round assisted over 35 organisations in our community, including the Beaconsfield Cricket Club, local Girl Guides, the Lilydale Fire Brigade, and the Tamar Rowing Club funding important activities such as first-aid training or fuel vouchers,” Mrs Archer said.

“Volunteers across our region freely give their time to support local organisations in a variety of ways and make an extraordinary contribution to our community.”

An Expressions of Interest form is available to download via Bridget’s website www.bridgetarcher.com.au or by calling the office on 6334 7033 or by emailing bridget.archer.mp@aph.gov.au

Expressions of Interest close on Friday, September 8, 2023, at 5:00 pm.
